

# Sick Puppies, All The Same

I don't mind where you come from  
As long as you come to me  
And I don't like illusions I can't see  
Them clearly

I don't care no I wouldn't dare  
To fix the twist in you  
You've shown me eventually  
What you'll do

I don't mind  
I don't care  
As long as you're here

Go ahead tell me you'll leave again  
You'll just come back running  
Holding your scarred heart in hand  
It's all the same  
And I'll take you for who you are  
If you take me for everything  
Do it all over again  
It's all the same

Hours slide and days go by  
Till you decide to come  
And in between it always seems too long  
All of a sudden

And I have the skill, yeah I have the will  
To breathe you in while I can  
However long you stay  
Is all that I am

I don't mind  
I don't care  
As long as you're here  
Go ahead tell me you'll leave again  
You'll just come back running  
Holding your scarred heart in hand  
It's all the same

And I'll take you for who you are  
If you take me for everything  
Do it all over again  
It's always the same

Wrong or right  
Black or white  
If I close my eyes  
It's all the same

In my life  
The compromise  
I close my eyes  
It's all the same

Go ahead say it, you're leaving  
You'll just come back running  
Holding your scarred heart in hand  
It's all the same  
And I'll take you for who you are  
If you take me for everything  
Do it all over again  
It's all the same
