

Sicko, A Song About A Rabbit

Good shot Peter
I hope you go far
cause there's a rabbit wearing coveralls playing in my front yard

you do the two step Peter
and you make it look good
cause there's a bear watching you from the edge of the hundred acre wood
(the bear, he said)

Peter

in a snow storm Peter
and two straight lines
holding hands yellow hat red hair her name was Madeline
(her name was Madeline)

Peter

I remember you Peter
and all of the rest
from the stories that a dreamy eyed baby boy loved the best

so in the moonlight Peter
where the wild things sleep
you and a boy in a wolf suit dancing by the side of the sea
(they said...)
