

Sickotoy x MARUV, Call 911

The sound of your voice was my everything
Now ever morning in silence
It's so different
No happy songs to sing
Just broken violins
I am trying hard to froget
Call 911
Cause i am lovesick

Baby , you got me
I am lovesick
Call 911
Cause i am lovesick
Baby , you got me
I am lovesick
Call 911
Cause i am lovesick

I am moving on with my life
I am moving on
I, i'm leting go
no pain no head in arm
i wanna move on with my life
I am moving on
The old pain is gone
No pain , no head in arm
I gotta move on with my life

The sound of your voice was my everything
Now ever morning in silence
It's so different
No happy songs to sing
Just broken violins
I am trying hard to froget
Call 911
Cause i am lovesick

Baby , you got me
I am lovesick
Call 911
Cause i am lovesick
Baby , you got me
I am lovesick
Call 911
Cause i am lovesick

I can't eat
I can;t sleep
Day by day
Week by week
I've lost my mind cause i am
Lovesick, lovesick
What have you done?
You better run
I've a gun
Call 911

Baby , you got me
I am lovesick
Call 911
Cause i am lovesick
Baby , you got me
I am lovesick
Call 911

Cause i am lovesick
