Side A, Closer To You

Closer to you by Gino PadillaCLOSER YOU AND I Gino Padilla

Hey, there's a look in your eyes
Must be love at first sight
You were just part of a dream
Nothing more so it seemed
But my love couldn't wait much longer
Just can't forget the picture of your smile
'Cause everytime I close my eyes you come alive

The closer I get to touching you The closer I get to loving you Give it a time, just a little more time We'll be together

Every little smile, that special smile The twinkle in your eye, in a little while Give it a time, just a little more time So we can get closer, you and I

Then could I love you more So much stronger than before Why does it seem like a dream So much more so it seems

I guess I found my inspiration With just one smile, you take my breath away So hold me close and say you'll stay with me now

The closer I get to touching you The closer I get to loving you Give it a time, just a little more time We'll be together

Every little smile, that special smile The twinkle in your eye, in a little while Give it a time, just a little more time So we can get closer, you and I...
