

Sidsel Ben Semmane, Twist of Love

Once upon a time
there was this guy
called Johny.

He was kinda shy
And so in love with Connie.

But so was O-smarty
who played it cool,
the king of the party,
but oh what a fool.

He didnt know
How to twist.

He didnt know
how to make a girl insist.

He didnt know to move,
He didnt feel the groove.

He didnt know how to twist.

Uuuuuu Twist
