

Sigala, Ella Eyre, Meghan Trainor, Just Got Paid

i should grow up some day
cos I got bills to pay
I can't be waking up
et someone's else's place
I know I drink too much
can't pay my rent this month
i should be saving up
but I

Just Got Paid
I'm broke buy I'm ballin'
don't know where we're going
we go in, when we go out
Just Got Paid
I'm broke buy I'm ballin'
don't know where we're going
we go in, when we go out
Just Got Paid
Just Got Paid

well, it feels like
every day's a holiday
so I can't take my cheque to the bank
and I know know know
I should be worried
but I work work work
to the bone baby
so gimme that
gimme that gimme that
gimme that gimme that
gimme that gimme that
gimme that money

I said gimme that money

gimme that gimme that
gimme that gimme that
gimme that gimme that
come on and
gimme that money
gimme that money

i should grow up some day
cos I got bills to pay
I can't be waking up
et someone's else's place
I know I drink too much
can't pay my rent this month
i should be saving up
but I

Just Got Paid
I'm broke buy I'm ballin'
don't know where we're going
we go in, when we go out
