

Sigala, Radio (feat. MNEK)

On the radio
On the radio
Radio, radio

On the radio
On the radio
Radio, radio

Lately I've been falling like a domino
Feeling like we're running out of time
I resort to turning on the radio
Just so I can try and clear my mind

But the music's got me feeling some type of way
Like the words are cutting way too deep
Singing all the things I've been too scared to say
I think I know what it really means

'Cause I've been hearing songs on the radio
From LA to Tokyo
Telling me I can't let you go
You know I've been hearing songs on the radio
Getting me so emotional
Telling me I can't let you go
Heard it on the radio

'Cause I've been hearing songs on the radio
From LA to Tokyo
Telling me I can't let you go
You know I've been hearing songs on the radio
Getting me so emotional
Telling me I can't let you go
Heard it on the radio

On the radio
On the radio
Radio, radio
Heard it on the radio

On the radio
On the radio
Radio, radio

What I said to you the other night was wrong
Didn't mean to take it out on you
'Cause when I flip the station, now I hear our song
It's got me thinking what did I do

We said forever, so why would I leave?
The music sounds better when you're with me
'Cause it's singing all the things I've been too scared to say
I think I know what it really means

'Cause I've been hearing songs on the radio
From LA to Tokyo
Telling me I can't let you go
You know I've been hearing songs on the radio
Getting me so emotional
Telling me I can't let you go
Heard it on the radio

On the radio
On the radio
Radio, radio

Heard it on the radio

On the radio
On the radio
Radio, radio

'Cause I've been hearing songs on the radio
From LA to Tokyo
Telling me I can't let you go
You know I've been hearing songs on the radio
Getting me so emotional
Telling me I can't let you go
Heard it on the radio

(The radio)

On the radio
On the radio
Radio, radio
Heard it on the radio

On the radio
The nearby radio
Radio, radio
Heard it on the radio
