

# Sigrid, Focus (Demo)

don't look at me that way  
you should know I can take it  
cause you're making my face blush  
bringing back the uselessness in my  
people are telling me that I need to go through with this  
but I'm too scared to admit  
too scared to open up for you  
I don't know what I want  
I don't know what I want

I'm tired of always looking back to you  
I need to move on  
but you're making it hard  
but you're making it hard

don't let me crawl to you  
cause I'm not that kind of girl  
I ill not degrade myself  
even if it means that we are not a we  
I don't know what I want  
I don't know what I need  
what I need  
so this is how it feels to be devastated  
but you're feeling satisfied knowing  
that someone wants you  
when will this end?  
I can focus  
I don't have time for all of this  
it's a waste of my time

I'm tired of always looking back to you  
I need to move on  
but you're making it hard  
but you're making it hard
