US bombs cruisin' overhead
There goes my love rocket red
Shoot it up....
Shoot it up....
Blaster bomb bomb ahead
Multi millions still unfed
Amondo teeno givin' head
Shoot it up....
Shoot it up....
Hold me shake me, I'm all shook up
Psycho maniac interblend, shoot it up
Now shoot it up
Shoot it up
Shoot it up
Shoot it up....
Teenage crime now fashion's dead
Shoot it up
There goes my love rocket red
Shoot it up
Shoot it up
Shoot it up
Shoot it up
Shoot it up
