

# Silence 4, Sex Freak

Everything I think ends up in sex  
Every little chance I have I use it  
After one is done  
I wonder who's next  
And all the girls I see are all the girls I want

Everytime I have has a specific purpose

I think that I am a freak of nature  
And after I do it  
I wanna do it  
I wanna do it again

I wanna do it, again  
Do it again

I am freak  
I repeat  
I am a freak  
I repeat...

If you let me lick the skin of your fingers  
I'll try to lick your skin 'till your bones  
How far are you  
Willing to go?

What used to be inside me was love  
But now there's nothing nothing  
But this pain in my chest  
That it seems in get softer  
With sex

And after,  
After I do it  
I wanna do it again

I wanna do it again  
I wanna do it again

I am freak  
I repeat  
I am a freak  
I repeat...  
A freak  
Come closer

And after I do it  
I wanna do it  
I wanna do it again

I wanna do it again  
I wanna do it again  
Again, again  
And again, and again, again, again, again, again

Freak  
You're the freak  
I repeat  
Yes I need

I am a freak  
I repeat, I repeat  
I am a freak  
A freak...
