

Silence, Belief

I don't believe in love
I can not face the flood
I don't believe in love
diseases in the mud
I don't believe in love
vultures drawn by blood
I am much too frail for this
I can't defy the storm
in your kiss

I won't go down again
I won't go down this road again
I won't go up in flames
I won't go down the drain
of love
again

I don't believe in love
I can not fight the drought
I don't believe in love
the wasteland in my mouth
I don't believe in love
the ever-burning doubt
I am much too frail for this
I can't defy the heat
of your kiss

Desert and rain
Fire and ice
Can you afford
to pay the price
of love?
