

Silence Is Sexy, Closing Titles

I was thinking about the end of the story that I'm in
Let's walk to the horizon and just leave them wondering
The closing titles should begin with it was not enough
I guess back then you knew I wasn't ready for your love

I believe that time will teach me when
We'll meet again and climb our ladder to the moon
This is almost home

I thank you for the rain that showed me there are times of doubt
It made me wonder about the sun and gave meaning to the clouds
I'm happy to be here, knowing where I'll be someday
With your heart close to mine we'll keep the black moods far away

I believe that time will teach me when
We'll meet again and climb our ladder to the moon
This is almost home
