

# Silence, The Girl Of My Best Friend

The way she walks,  
The way she talks  
How long can I pretend

Her lovely hair,  
Her skin so fair  
I could go on and never end

Oh, I can't help I'm in love  
With the girl of my best friend

The way they kiss  
Their happiness  
Will my aching heart ever mend?

I want to tell her  
How I love her so  
And hold her in my arms, but then  
What if she got real mad and told him so  
I could never face either one again

Will it ever end?  
Will it ever fucking end?
