

Silent Circle, Don't Ask Me Why

Don't ask me why
Don't ask for more
This part of me you can't explore
There is a secret deep inside
forever.

Don't believe that I am blind
There's no way to change my mind
How can you go and leave me here this way
Is it just a game you play?

I just feel I can live with or without you
It's my destiny to fall in love again.

Don't ask me why
Don't ask for more
This part of me you can't explore
There is a secret deep inside
This face of love I want to hide.

Don't ask me why
Don't try to know
Don't walk away the way I go
There is a secret which makes me cry
I can't explain don't ask me why
Forever.

I don't want to see you cry
When it's time to say goodbay
A fire is still burning deep inside
I just want to hold you tight.

Can't you feel i need you - need you forever
Our love will last until eternity.

Don't ask me why
Don't ask for more
This part of me you can't explore
There is a secret deep inside
This face of love I want to hide.

Don't ask me why
Don't try to know
Don't walk away the way I go
There is a secret which makes me cry
I can't explain don't ask me why
Forever.

I just feel I can live with or without you
It's my destiny to fall in love again.

Don't ask me why
Don't ask for more
This part of me you can't explore
There is a secret deep inside
This face of love I want to hide.

Don't ask me why
Don't try to know
Don't walk away the way I go
There is a secret which makes me cry
I can't explain don't ask me why
Forever.
