

# Silent Circle, Hide Away - Man Is Comin'!

World was born in endless night,  
In million years we got the light,  
The mountains coming and the seas,  
Earth and heaven harmony  
Animals were born to live,  
Trees and plants had much to give,  
But when man came there was fear -  
Their creation was the tears

Chorus:

Hide away now - man is comin'!  
It's the time now - you'll be running

For your life (2 times)

Thousand dreams about the die  
As the world begins to cry  
Loneliness is all around  
In the air a silent sound

Tears are falling from the sky,  
Weeping souls begin to fly  
In the skies of no return  
Searching for a better world

Chorus (3 times)
