

# Silent Cry, Last Visions

(Lyrics: Suelly Ribeiro, Music: Silent Cry)

Through his eyes  
I could escape from myself  
Please, can you help me?  
In the infinite  
in my soul... so lonely  
I feel his silence  
In serene harmony  
my soul burns  
Let me touch you, let to hear you.  
Let me dream in memory of this enigma.  
Let me remember forever  
His absence makes me feel  
the wind screams of pain  
And the sadness of traveled roads  
in oceans of hope.  
A vision... the last desire  
in my heart.
