## Silent Force, All Guns Blazing

(Judas Priest cover)

Twisting the strangle grip Won't give no mercy Feeling those tendons rip Torn up and mean

Blastmaster racks the ground Bent on survival Full throttle hammers down A deadly scream

All guns, all guns blazing

Forced into overdrive Drawn out of anger All talons poison dipped Impaling spike

Heart pounding fever pitch Blood pumping fury Two fisted dynamo Eager to strike

All guns, all guns blazing

Cross cutting thundercharge Blade of destruction Flame throwing hurricane Destroys the cage

Bone crushing alien God of salvation Sad wings that heaven sent Wipes out in rage

All guns, all guns blazing
