

# Silentium, I Bleed For...

"... Alas, do not fear the wounds in my flesh, but embrace me, for in my heart is the wound th

Contemptio in nomen tuum  
Incendere in infernus

Dance for me your last  
Before I wither and die  
Your shivering lips to me  
It's for you I bleed

Cover me with beauty  
As I carry my chains  
I'm drowning in your cruelty  
But lust rips my veins

Symphonia carnalis (bella et permunt hostilia)  
In tenebrae aeternum (pulcher sicut tua)

Kiss away my tears  
And I'll suffocate you  
Awoke my fears  
It's for you I bleed...

Hold this beast in thine arms - For christ  
Don't fear my wounds and scars - I shall suffer  
If wounded by a thousand swords - For you  
It's still you i bleed for - I shall bleed
