

# Silentium, Whatever The Pain

Countless Times I Have Been  
Shedding Tears and Bleeding Hate  
Countless Times I Have Had  
Against My Neck the Poisonous Blade

...Oh Come...  
With Me, Betrayed, Banished  
Take a Walk with Me...  
Shred Me, Hurt Me, Burned  
From Temptation to Dreams  
Drown Me, Despised, Shattered

Oh Whatever the Pain

Shallow Were Your Words to Me  
More a Serpent, Mere the Grace  
Shallow Were Your Eyes to Me  
Still I'd Kiss the Tears Off from Your Face

For Those Who Yearn for Darkness to Fall
