

Silje Nergaard, You're Kind

You're kind, you're so kind
You rescued me when I was blind
You put me on your pillow
When I was on the wall
You're kind, you're kind, so kind
And you're good, you're so good
You introduced me to your neighborhood
Seems like I never had so many friends before
That's because you're good

Why you don't treat me like the other humans do
It's just a mystery to me
It gets me agitated when I think that
You're gonna love me now indefinitely
So goodbye, goodbye
I'm gonna leave you now and here's the reason why
I like to sleep with the window open
You keep the window closed
So goodbye, goodbye, goodbye

Why you don't treat me like the other humans do
It's just a mystery to me
It gets me agitated when I think that
You're gonna love me now indefinitely
So goodbye, goodbye
I'm gonna leave you now and here's the reason why
I like to sleep with the window open
While you keep the window closed
So goodbye, goodbye, goodbye

Baby goodbye
Baby goodbye
