

# Silk, Back In My Arms

(Intro)  
ooh, oh  
Oh, I need you  
Baby, baby, I

You used to say and naturally I would be saying sorry  
But I would never listen to you  
Now I'm paying for it  
Baby love, please forgive me

So many days of leaving messages on your answering machine  
Sometimes I thought I'm droppin by  
But you'd probably make a scene  
I can't understand why you're so mean to me, yeah

1 - Baby, I want you  
Back in my arms again  
In my arms again

Baby I need you  
Back in my arms again  
I need you in my arms again

Oh I miss you baby  
Are you the type of girl who likes to say I told you so  
I learned my lesson tell me  
What are you trying to prove  
Girl, I miss you  
I'm realizing that I never should have let you go  
I made a decision when I wasn't sure  
How could I be so immature, oh

Repeat 1

We used to laugh we used to kiss while dancing in the rain  
(I wanna laugh, I wanna dance, I wanna kiss, I still remember)  
I messed it up by giving someone else your wedding ring  
(I wanna make, I wanna make, I wanna make it up to you, girl)  
I'll tell you I'm sorry if you tell me it will ease the pain  
(I was insane, I was insane, I was insane to ever let you go)  
Now I know that you reap what you sow

Repeat 1 with ad libs until fade
