

# Silk City (Diplo, Mark Ronson), Electricity (feat. D

Falling into you, baby  
Even electricity  
Can't compare to what I feel  
When I'm with you  
Ooh baby  
Given up my ghosts for you  
And now I'm see through

You give me a feeling  
Feeling so strong  
I know you been treating  
Treating yourself wrong  
So let me care for you  
Ooh baby  
Ima love you differently  
I'll give you electricity  
Give it to you

And even if I could  
I wouldn't turn on you  
And I would stop the world for you, you know  
I wanted to let you know  
I'll never let this feeling go  
This love has no ceiling  
I cannot deny

And even if I could  
I wouldn't turn on you  
And I would stop the world for you and I  
I wanted to let you know  
I'll never let this feeling go  
This love has no ceiling  
I cannot deny

All I see is you lately  
Wide awake and in my dreams  
I see your face so vividly  
I don't know what I'd do  
Ooh baby  
If you only saw a friend in me  
I'd be bitter sweet

You give me a feeling  
Feeling so strong  
I know you been treating  
Treating yourself wrong  
So let me care for you  
Ooh baby  
Ima love you differently  
I'll give you electricity  
Give it to you

And even if I could  
I wouldn't turn on you  
And I would stop the world for you, you know  
I wanted to let you know  
I'll never let this feeling go  
This love has no ceiling  
I cannot deny

And even if I could  
I wouldn't turn on you  
And I would stop the world for you and I  
I wanted to let you know

I'll never let this feeling go  
This love has no ceiling  
I cannot deny

I feel electric, baby  
So electric, baby  
I wanna let you know  
Let you know  
I think I'm ready, baby  
I think I'm ready now  
Electricity  
I'm flowing into you /x2

I want it  
I need it  
This current between us  
Is flowing  
This feeling  
Tonight

And even if I could  
I wouldn't turn on you  
And I would stop the world for you, you know  
I wanna let you know  
I'll never let this feeling go  
This love has no ceiling  
I cannot deny

And even if I could  
I wouldn't turn on you  
And I would stop the world for you and I  
I wanna let you know  
I'll never let this feeling go  
This love has no ceiling  
I cannot deny

I feel electric, baby  
So electric, baby  
I wanna let you know  
Let you know  
I think I'm ready, baby  
I think I'm ready now  
Electricity /x2

I want it  
I need it  
This current between us  
Is flowing  
This feeling  
Tonight
