

# Silk, If You (Lovin' Me)

Feeling like lovin' me

Been checking you for so long and I feel  
Girl, you should let me know what the deal  
Been peepin' out your vibe  
Like you wanna let me slide  
So what you need to do right now is keep it real

I know you want me, girl, just like I want you  
So stop frontin' like you don't, when you do  
So if you're feeling naughty, naughty  
And if you're really 'bout it, 'bout it  
And if you get me rowdy, rowdy  
My love's gonna make you shout it, shout it

If you (If you're feelin' like lovin' me)  
If you (If you're feelin' like kissin' me)  
If you (If you're feelin' like lovin' me)  
If you (Holdin' me) feelin' like lovin' me

If you (If you're feelin' like kissin' me)  
If you (If you're feelin' like lovin' me)  
If you (La-da-da-da-da)

Let me come satisfy you for an hour or two  
Baby, don't be shy 'cause I'm not judging you  
I'm comin' for your love, so let me through

Girl, as I'm talkin' 'bout them things we could do  
And let's just be about them things we could do  
So if you're feeling naughty, naughty  
And if you're really 'bout it, 'bout it  
And don't you get me rowdy, rowdy  
My love will make you shout it, shout it

If you

If you  
(Oh if there anybody out there wanna touch your cha-cha tonight)
