

# Silk, It's So Good

And i want you for the rest of my life.....

(1st Verse)

Remembering the first day... You brought smiles to my face(ohh...)  
With Memeries I can't erase... It's just so nice to know that you were  
Made for me.....

(Chorus)

Its so Good to have you around....  
Someone who... will never let me down  
Good to have you around  
And i want you for the rest of my life

(2nd Verse)

you have never let me down...(ohh..) After four years I'm so proud  
Almost gave..... Love away... But i must admit out of all you are the Best...  
Chorus 1x

Change is overtime how one day you may not be mine....

But I'll cherish every Moment you spend with me....

I need you everyday(I need you Everyday)

So don't you ever go away

Your all I need, For me.....

Chorus to End
