

# Silk, Lose Control

ohhh ohhh ohh ohh

"Im sorry.....

I never meant to hurt you baby...ohh

I really didn't

Im so sorry

I just want you to sit down

Just a minute..let me talk to you....."

Last night, we had an argument.

You told me you love me.

All the things that I said, I never meant, no baby.

I didn't mean to make you cry.

I didn't mean to make you say, "bye, bye, bye"

Baby won't you let me look inside your soul.

Let me make you lose control.

Let me be the one you need. (I want to be the one for you, girl)

Baby just come to me.

(Just come on, on)

Now tell me girl what you want from me.

Whatever it is you desire,

I wanna give...my baby.

I wanna feel your body yearn

All your softest spots I plan to learn.

Baby won't you let me just kiss you down. (Let me kiss you down)

Make you spin around and around.

Flip you girl from left to right.(If you don't mind)

If you don't mind, baby, can I just spend the night.

wont you please let me play with you

I know what im talking about baby

I never meant to hurt you

I never wanted to see you cry

So im askin you im beggin just give me another chance

Baby won't you let me just kiss you down. (Let me kiss you down)

Make you spin around and around.

Flip you girl from left to right.(If you don't mind)

If you don't mind, baby, can I just spend the night

Baby, yeah, let me turn you on.

Can I turn you, can I turn on (oh let me turn you on)

Till the break of dawn, baby

Ooohh, let me turn you on, my my...to the break of dawn baby.

Don't you know, don't you know, some time is all that you need.

Oooh, ohhh.
