and you are killin me softly with yo sexy sex appeal

Chorus

Let me love you down lady
early morn til the break of dawn
i wanna hold you, kiss you, squeeze you, touch you
let me love you down baby
early morn til the break of dawn
i wanna hold you, kiss you, squeeze, you touch you
love you down

Come on in sit on down let me just relax you
listen to the sexy sounds tell me what you wanna do
can i get a kiss? can i get a hug? please

when you know, and i know, and we know where we wanna go so
