

Silk, Nursery Rhymes

(Intro)

Oh, oh, ooohhh

La la la la lullaby, baby

Oh oh oh

This is Silk's nursery rhyme, baby

La la la la lullaby

Well, well, oh

This one's dedicated to my first love

Baby, baby, baby, baby

Don't you know you drive me crazy

With your sexy body lady, lady

Would you like for me to creep over to your crib

Just say when, say when

I would like to be the one who loves you down

And serenade your sexy body with this nursery rhyme

1 - Hush little baby don't say a word

Silk is gonna buy you a mocking bird

And if that mocking bird don't sing

Silk is gonna buy you a diamond ring

And if that diamond ring don't shine

I guess I'm gonna have to give you something else of mine

Would you like that, would you like that

You can have this, if you want this

I'm gonna give you lovin'

Lovin' is what your body needs

Oh, if you let me come over, pretty thing

You can play the name game

Don't you know that ????

That's what you'll be saying

And you know that I'll be staying

So conjunction, junction was your function

Do you want me (girl)

Do you need me (girl)

Oh, baby girl, I'm on my way

And when I get there, this is what I'm gonna say

Repeat 1

I love you, you love me

Can we go and play a game of hide and seek

So baby close your eyes, count to five

If you find me, you better treat

I want you, you want me

Baby can we, you and me

Fulfill our fantasy

Cuz without a doubt, you're the one

The only one to make me go

Five, four, three, two, one

Ready or not, baby here I come

Hush little baby, don't say a word

Silk is gonna buy you a mocking bird

If that mocking bird don't sing

Silk is gonna buy you a diamond ring

And if that diamond ring don't shine, it don't shine

I guess I'm gonna have to give you something else of mine

oh oh, baby

Would you like that, would you like that

You can have this if you want this

I'm gonna give you lovin'

Lovin' is what your body needs

Would you like that, would you like that
You can have this if you want this
I'm gonna give you lovin'
Lovin' is what your body needs

Would you like that, would you like that
You can have this if you want this
I'm gonna give you lovin'
Lovin' is what your body needs

Yeah
Hope you enjoyed Silk's nursery rhyme
