

Silk, Wanna Get Freaky With You

freaky baby, oh yeah
freaky baby
freaky baby, oh yeah
freaky baby

chorus

Let me lick you up and down
Til you say stop
Let me play with your body baby
Make you real hot
Let me do all the things you want me to do
Cuz tonight baby I wanna get freaky with you

Baby don't you understand
I wanna be your nasty man
I wanna make your body scream
And you will know just what I mean (you know what I mean)
24 carat gold
To warm the nights when you get cold
I wanna lick you up and down
And then I wanna lay you down
C'mon silk, silk

chorus

I love the taste of whipcream (ohhh)
Spread it on don't be mean (baby don't be mean)
You know I can't resist you girl
I'll fly you all around the world
(all around the world, oh baby)
I wanna make your body drip
C'mon let me take a sip
(c'mon, c'mon, c'mon c'mon)
Take off what you cherish most
(c'mon, c'mon, come on, come on baby)
Cuz when I brag I like to brag and boast

chorus

You, you, you, you
Oh you
You, you, you, you
Let me freak you
You, you, you, you
All of you
yeah c'mon c'mon

You, you, you, you
Oh you
You, you, you, you
Let me do you
Cuz tonight baby, I wanna get freaky with you

repeat chorus until faded
