

Silke Bischoff, Silke's Calling (Intro)

I was living in a dream
Before you kissed my bleeding lips
I pray to you, I'm on my knees
You were dying for my sins
I've gone too far, I've lost control
I'm falling, I'm falling

Silke's calling
Silke's calling

I was living in a dream
Until you touched my bleeding heart
Your kingdom will be here on earth
Strong and mighty - the new religion
I've gone too far, I've lost control
I'm falling - I'm falling

Like a phoenix from the flame
I was rising
Feeling strong and mighty
Like never before
