Silkk The Shocker, My Car

SILKK THE SHOCKER LYRICS

"My Car" (feat. Mo B. Dick, Pure Passion)

(Silkk)

All because of my car All because of my car All because of my car

(Mo B. Dick)

I'm in my car, cruisin to the beat
Trippin off, off these money hungry freaks
Wanna be down, wit a super star
Cuz you know I got money an a cold blooded car

(Chorus)

Must be the Beamer (Must be the Beamer)
Thats turning you on
Must be the Benz (Must be the Benz)
I ain't takin you home
{All because of my car}

Must be the Cruiser (Must be the Cruiser)
Got you flaggin me down
Must be the Rover (Must be the Rover)
Makes you wanna be around
{All because of my car}

(Silkk the Shocker)

I hits an run like an accident

Mr. hit em fast an slow is back again

If you don't believe me go an ask a friend

I got more hoes than the O-Zone

I hits em wit they close on

(Why's that Silkk?)

So they can go home

I rolls up on a bucket, she got a man

But when I rolls up in a Benz, das when she hops in

An thas how its gon' happen to her

I don't mean to be like mackin to her or rappin to her

But I'm jus askin to her

Now back up in the days I run game on em

They wanna play games so I bought a Lexus from my homie

An the next day after that, game don't stop

(Where ya car at)

I be like man, its in tha shop

But now I'm on top now

Put the.....top down

See how many number I can jot down, how many girl I can knock down

An plus up on my block, now it ain't gon' stop

Now, since I got a little cash

Now I dash down the block but I keep my game tight

When Im in the Rover, I gets the guests the same night

You try skeezin me, should be try pleasin me

Alizay to get the draws off easily

Thas when I switch my game over

You blame it on a hang over I blame it on the Range Rover

An I ain't tryin to hear that

(Oh it's like that, huh?)

Like that, like that

(Chorus)

(Mo B. Dick)
When I'm flossin on these ghetto streets
Can't see how I get stopped by those crooked police
I can't understand, why they player hate
An they ask me these question, like how much money I make
Now it's none of their business, how I make my ends
An you can't get a piece of my funky dividends
I guess you could say, I got it goin on
Cuz I keep seein girlies an they wont leave me alone

(Silkk the Shocker)

I guess the PD is tryin to see me in the State Pen Behind me tryin to run my license plate in Im checkin my rear view, but I ain't gon' trip, bruh Waitin for me to slip up, show me some ID wit yo' picture I guess they wanna see my bank statement See how much money that Im makin But I guess they just be hatin They need to start missin me, stop trippin G I guess they mad cuz I got more gold than Mr T

(Mo B. Dick)

An all these freaks wanna get in my gangsta ride Cuz I got it front to back, an side to side But I ain't got time I gotta do my thang An if you wanna front you know I can hang Now you know that I never wanna perpetrate Cuz y'all playa hate you fools better recognize That a No Limit Soldier is on the rise

(Chorus)
