

# Silkstone, What's The Reason

Hiding from the blue in your eyes  
I never told you that I don't need a reason to be in  
Love with the smile on your face  
Guess I just want you around to keep my feet on the ground  
And I say why can't you tell me  
What is the reason  
Tell me what is on your mind  
I'll try not to be uptight but I need to know now  
Tell me what is on your mind

Is it something we've got to mend  
Or should we do it over again, do you need some more time to  
Learn how to love in return  
If only you gave me a sign then I'd know I'll be fine  
And I say why can't you tell me  
What is the reason  
Tell me what is on your mind  
I'll try not to be uptight but I need to know now  
Tell me what is on your mind

Don't be afraid, it's never too late  
Can't bare to see you hesitate  
It's a matter of time before you'll be mine  
But 'till that day I won't cross the line  
Then life will be so much better for you and me  
Just let us be

And I say why can't you tell me  
What is the reason  
Tell me what is on your mind  
I'll try not to be uptight but I need to know now  
Tell me what is on your mind  
Tell me what is on your mind
