

Silver Convention, Telegram (Eurovision 1977)

Since you're gone I'm all alone Stop
Just can't make it on my own Stop
Operator, did you get the line?
Rush a cable, for I've got no time
Gotta send a telegram, telegram to my baby
Yes, I'm gonna send a telegram, telegram, and then maybe
He won't keep me yearnin'
Tonight he'll be on his way, tomorrow he'll be here to stay
Help me, ma'am, I can't wait another day
Please forgive the things I said Stop
Didn't mean to make you sad Stop
Operator, I'll pay any rate
If my message will not be too late
Gotta send a telegram, telegram to my baby
Yes, I'm gonna send a telegram, telegram, and then maybe
He won't keep me yearnin'
Tonight he'll be on his way, tomorrow he'll be here to stay
Help me, ma'am, I can't wait another day
I was such a fool to let him go
Too proud to show that I love him so
Gotta send a telegram, telegram to my baby
Yes, I'm gonna send a telegram, telegram, and then maybe
He won't keep me yearnin'
Tonight he'll be on his way, tomorrow he'll be here to stay
Help me, ma'am, gotta send a telegram
