

Silver, Forever In Love

There's is a new star in my sky
I only know you for a while
But my heart seems to surrender to your love
I'm a victim of your smile
Cupid's arrow struck my heart
But I don't feel any pain
In the end there's nothing to win or nothing to lose
In this foolish loversgame

Chorus

Forever in love

You and I

Forever in love

We both know why

As the days come and go, there's just one thing i know
we have to give it a try
