

Silver, I Don't Care

chorus:

i dont care
i never liked you anyway i dont care
dont you hear me when i say i dont care
coz your a total waste of time
and youll never ever ever be mine

i got something on my mind see
everytime i look arround me
seems like every scrub i see
is try to get it on with me
they think it impresses me
the way they act so foolishly
do they really think they got it made
i can see right true that maskerade

when we say nothing they call us hard to get
when we say no they call us names instead
they havent got the clue
let us spell it out for you
