

Silver Sun, Bubblegum

So add some more juice to your fruit
Yeah baby it's no news you're so cute and I'm falling
I'm falling for you
I know your jaws are just like steel
A kind of Janet Jackson feel
You shouldn't swallow
But you do!
Oh, it's carzy - it's just like you

So what's that, what's that on your tongue?
Don't you know it's only, only bubblegum

You got a problem with multi-tasking
Are you dancing, coz I'm asking
No error in syntax
You're definitely intact

A world revolving 'round almost nuthin'
A haze of industry, a head for relaxation
And a body for excitation
She's a craze, for a whole new nation

So what's that, what's that on your tongue?
Don't you know it's only, only bubblegum
And can't you let me have my fun
Don't ya know how much I love you, my bubblegum

Na na na na na na na na na na
Na na na na na na na na na na
Na na na na na na na na na na

I know your jaws are just like steel
A kind of Janet Jackson feel
You shouldn't swallow
But you do!
Oh, it's carzy - it's just like you

So what's that, what's that on your tongue?
Don't you know it's only, only bubblegum
And can't you let me have my fun
Don't ya know how much I love you, my bubblegum

And those hot pants are rising up, coast the sidewalk
But you won't ever get some
Of my bubblegum
Oooh!
