

Silver Sun, Dumb

Dumb bitch when I stop it's not for you in the road (yeah)

Not as you think, some sort of love code (yeah)

Suicide was an option for me

You'd like to think it was for you

But I know better I know better-yeah

(chorus)

Are you, as dumb as the last one?

As dumb, as dumb, as dumb, as dumb,

Are you, as dumb as the last one?

As dumb, as dumb, as dumb, as dumb,as dumb,

Are you, as dumb as the last one?

As dumb, as dumb, as dumb, as dumb, as dumb,

As dumb as the last one

As dumb as the last one?

Well there's a taxi waiting outside for you (yeah)

So please go out and get your last ride

Your love's no good in '95

So go on, so go on, so go on, and make it better
and make it better yeah

(repeat chorus)
