

# Silver, The Edge Of Life

Never took this road before  
Never wanted to show you more  
I kept my dreams all locked inside  
I only wanted a place to hide

"Life aint always what it seems to be'

You should hold on to your dreams  
They lift a corner of the veil  
It's up to you to make them real

Life's too short so dont ignore  
The clues you get at night  
Life's too short so you got to keep on  
living on the edge

Ans when times has come  
That you've made up your mind  
You'll see that's it worth the try.....
