

Silverchair, Minor Threat

We're not the first, I hope we're not the last
'Cause I know we're all heading for that adult crash
The time is so little, the time belongs to us
Why is everybody in such a fucking rush?!
Make do with what you have
Take what you can get
Pay no mind to us
We're just a minor threat
We're just a minor threat
I was early to finish, I was late to start
I might be an adult, I'm a minor at heart
Go to college, be a man, what's the fucking deal!?
It's not how old I am, it's how old I feel
Take your time
Try not to forget
We never will
We're just a minor threat
We're just a minor threat
And that's a promise
