

# Silverchair, Young Modern Station

Stalled at young modern station  
Arthritic conversation  
Life has a dead line lately  
Allergic and in the news

The clocks are ticking timeless  
Dead Dali days behind us  
The band is back together  
Allergic and in the news

Does it make you cry  
When I make you feel so far away  
The interviews over  
Stuck to the goal  
To rescue my skin

I need a different liquor  
So sick of getting sicker  
And I'm moving back to the country  
Allergic and in the news

Does it make you cry  
When I make you feel so far away  
The interviews over  
Stuck to the goal  
To rescue my skin  
You're so far away  
The interviews over

He dreams of tracks and choices  
I think I'm hearing voices

Does it make you cry  
When I make you feel so far away  
The interviews over  
Stuck to the goal  
To rescue my skin  
You're so far away  
The interviews over
