

Silverstein, A Shipwreck In The Sand

"Once upon a time, before the lakes and rivers were polluted, before the animals were poached
Cross the line
I was honest and never promised anything
Just a brotherhood to stand for something
And everyone should take the lead
Follow your dreams
If you don't try you fail
And we started
And the captain went over
He asked them why
Their lives had changed
There's no gold to be found
No treasure in the ground
We won't die for this
We won't die for you
You've lost your mind
I was honest and never promised anything
Just a brotherhood to stand for something
And even if they disagree
Follow your dreams
If you don't try, you fail
His dream is now
A shipwreck in the sand
They gave up
Then made all their demands
The storm ensues
57 souls
Die in vain
And what they stole
This union, a battle fought and lost
This union was not about the cause
This union was never about love
This union, this union
