

# Silverstein, A Shipwreck In The Sand

&quot;Once upon a time, before the lakes and rivers were polluted, before the animals were poached  
Cross the line  
I was honest and never promised anything  
Just a brotherhood to stand for something  
And everyone should take the lead  
Follow your dreams  
If you don't try you fail  
And we started  
And the captain went over  
He asked them why  
Their lives had changed  
There's no gold to be found  
No treasure in the ground  
We won't die for this  
We won't die for you  
You've lost your mind  
I was honest and never promised anything  
Just a brotherhood to stand for something  
And even if they disagree  
Follow your dreams  
If you don't try, you fail  
His dream is now  
A shipwreck in the sand  
They gave up  
Then made all their demands  
The storm ensues  
57 souls  
Die in vain  
And what they stole  
This union, a battle fought and lost  
This union was not about the cause  
This union was never about love  
This union, this union
