

Silverstein, Always And Never

This was my fate, giving in
To your lips, to your eyes
I should have known
It would come back to haunt me
Crooked smile, the reflection in your eyes
That shows my weakness for
Beautiful mistakes,
Something that I know you've seen before,
I'm not the first
Set the trap, I'm falling for it every time

I can't believe
Everyone knew from the start
This would come back to haunt me
I can't stand to see you now!
How could I ever trust you?

Take it back to the streets,
I'll start again
I'll never look back,
I'll never look back, back

How do you feel?
I bet you don't feel anything!
Don't have a heart attack
Don't have a heart attack
But I won't stop you

Flying high, razor blades make perfect lines,
On just about anything you want
Broken pores spill out, everything you want to say,
It shows my weakness for

Falling in love with
My wallowing despair that shines in black
It consumes me, I'll take it back
I'll build it back to what it was

I can't believe everyone knew from the start
This would come back to haunt me
I can't stand to see you now!
How could I ever trust you?

Take it back to the streets,
I'll start again
I'll never look back,
I'll never look back, back

How do you feel?
I bet you don't feel anything!
Don't have a heart attack
Don't have a heart attack
But I won't stop you

I can't believe everyone knew from the start
This would come back to haunt me
I can't stand to see you now!
How could I ever trust you?

Cut me out, of your life
Like its nothing, like I'm nothing!
Make believe you can love,
That it's better, that your better!

Part of me is gone
You've taken
You've taken
You've taken
You've taken

Part of me is gone,
You've taken
You've taken
Pieces from me

Take it back to the streets,
I'll start again
I'll never look back,
I'll never look back, back

How do you feel?
I bet you don't feel anything!
Don't have a heart attack
Don't have a heart attack
But I won't stop you

You won't stop, you'll never change
You won't stop, you'll never change
