

Silverstein, Friends In Fallriver

Let's go!
Your life lives half a nation away,
my heart hurts so.
I believe letting you go was
the biggest mistake of my life.
What did I do?
Alone and confused.
What can I say?
What can I do?
I'm heading the wrong way home.
Knowing alone is alone.
It's just too difficult to be
just me instead of we.
What did I do?
Alone and confused.
What can I say?
Nothing.
I don't know where to begin
'cause you left me for him.
I don't know where to begin
since you left me for him.
I don't want to start again,
and I can't be your friend.
I don't know where to begin
now you left me for him.
