Silverstein, Friends In Fallriver

Let's go! Your life lives half a nation away, my heart hurts so. I believe letting you go was the biggest mistake of my life. What did I do? Alone and confused. What can I say? What can I do? I'm heading the wrong way home. Knowing alone is alone. It's just too difficult to be just me instead of we. What did I do? Alone and confused. What can I say? Nothing. I don't know where to begin 'cause you left me for him. I don't know where to begin since you left me for him. I don't want to start again, and I can't be your friend. I don't know where to begin

now you left me for him.
