

Silverstein, My Consolation

You left me,
Now you come back to me,
Saying it's changed
And we're not the same people we once were.

And you beg to be back with me,
I can't see anything but you.

Every night, I see you there.
Everyday, I hate you and everything we once were.
You keep saying it's changed and we're not the same.

And you beg to be back with me,
now I can't see anything.

I won't forget everything that you put us through.
I won't forget everything that you put us through.
Every night, I see you there.
Everyday, I hate you.

Crying can't carry you back to me.
