

Silvertide, Ain't Comin' Home

Ain't turning back it's my time to fly
Too many decisions and not enough time
But I always did like the thrill of living in the unknown
So pucker up mama 'cause I

I ain't comin' home

Don't hold me back it's my time to fly and
The devil gave me nine full lives and I say this with a full grin
Because nothing is better than living in sin

'Cause I ain't turning back it's my time to fly

Too many decisions and not enough enough time
But I always did like the thrill of living in the unknown
So pucker up mama 'cause I

I ain't comin' home

Could you help me babe
I've been flying all night and you can't leave me babe
'Cause you keep it pumpin' all night

I ain't comin' home
