

# Simon And Milo, Be As

Julie wants to get out of town  
She needs to settle down  
Move to a place where no one knows her  
Lisa just had to get away  
Nothing could make her stay  
Tired of living under cover  
Everybody knows somebody trying to get free  
Be as white as you want to  
Be as black as you want to  
Be as brown as you want to  
Don't let anybody stop you  
Be as straight as you want to  
Be as gay as you want to  
You can wait if you want to  
We all need something to hold on to  
And if there is a way that you and I could both be free  
Have a little understanding and we will be  
Daniel moved to another school  
Alliances can be cruel  
When you're alone without nobody  
Michael begged Jen to take a stand  
And fight for the love they had  
But she'd rather deal with being lonely  
Everybody's got somebody telling them what to be  
Chorus  
And if there is a way that you and I could both be free  
Have a little understanding and we will be  
Na na na na na na...  
And if there is a way that you and I could both be free  
Have a little understanding and we will be  
Chorus  
Be as shy as you want to  
Be as loud as you want to  
Be as small as you want to  
Don't let anybody stop you  
Be as thin as you want to  
Be as fat as you want to  
Be as short as you want to  
We all need someone to hold on to
