

# Simon And Milo, Sucks To Be You

Sucks To Be You

(Tamara) - Sucks To Be You  
(Simon) - I know, I know  
(Tamara) - Sucks To Be You  
(Simon) - I know it's true  
I'm a bastard if it's true  
If the thing she did to me  
Is what I did to you  
I'm a bastard if it's true  
And I guess it's true  
(Tamara) - Sucks To Be You  
(Simon) - I know, I know  
(Tamara) - Sucks To Be You  
(Simon) - I know it's true  
You need to know I finally understand  
And I gotta get in touch with you now  
But I can't  
I just want to tell you I'm sorry

I'm a bastard if it's true  
If the thing she did to me  
Was what I did to you  
I'm a bastard if it's true  
And I guess it's true  
(Tamara) - Sucks To Be You  
(Simon) - I know, I know  
(Tamara) - Sucks To Be You  
(Simon) - I know it's true  
You need to know I finally understand  
And I gotta get in touch with you now  
But I can't  
I wish I could have made you happy  
But I'm a bastard

I'm not saying that I wanted you to stay  
But tonight I feel like driving my car to LA  
Just so you can see me crying  
Cause I'm a bastard if it's true  
Yeah and I guess it's true  
(Tamara) - Sucks To Be You  
(Tamara) - Sucks To Be You  
(Simon) - I know it's true  
(Tamara) - Sucks To Be You  
(Simon) - I know, I know  
(Tamara) - Sucks To Be You  
(Simon) - I know it's true
