## Simon & Garfunkel, Kodachrome

When I think back on all the crap I've learned in highschool It's a wonder I can think at all Though my lack of education hasn't hurt me much I can read the writings on the walls

## [Chorus:]

Kodachrome, they give us those nice bright colours
They give us the greens of summers
Makes you think all the world's a sunny day, oh yeah
I got a Nicon camera, I love to take a photograph
So mama don't take my Kodachrome away

If you took all the girls I knew when I was single Brought 'em all together for one night I know they'd never match my sweet imagination Everything looks better in black and white

## [Chorus]

Mama don't take my Kodachrome away, mama don't take my Kodachrome away Mama don't take my Kodachrome away

Mama don't take my Kodachrome, mama don't take my Kodachrome Mama don't take my Kodachrome away Mama don't take my Kodachrome and leave your boy so far from home Mama don't take my Kodachrome away Mama don't take my Kodachrome, whew whew, mama don't take my Kodachrome away
