

# Simon Says, Act One

I open my eyes to reveal all the lie that have  
Broken me open.  
The curtain is drawn and the lights shining on the  
new actor you've chosen.  
I open my eyes to reveal all the lie that have  
Broken me open.  
The light at the end of the desolate trend is now  
Glowing much brighter.  
Quickly erase any fear from your face.  
It's about to move faster.  
I open my eyes to reveal all the lie that have  
Broken me open.  
Playing the part of the unblemished son.  
Just be over.  
Be over.  
Picture Perfect world.  
What is in it for me?  
Try to please them all.  
Hoping they won't notice,  
I'm not what they wanted.  
Humming the words of a familiar verse.  
I'm the singer you've chosen.  
I open my eyes to reveal all the lie that have  
Broken me open.  
Playing the part of the unblemished son.  
Just be over.  
Be over.  
I open my eyes to reveal all the lie that have  
Broken me open.  
Playing the part of the unblemished son.  
Just be over.  
Be over.  
Let this be over.
